BAKERSFIELD MIST

Written by **Stephen Sachs**

Directed by **Amir Korangy**

DESCRIPTION:

Maude, a 50-something unemployed bartender living in a trailer park has bought a painting for a few bucks at a thrift store. Despite almost trashing it, she's now convinced it's a lost masterpiece by Jackson Pollock worth millions of dollars. But when world-class art expert Lionel Percy flies from New York to Bakersfield, CA to authenticate the painting, he has no idea what he is about to discover. Inspired by true events, this hilarious and thought-provoking play asks vital questions about what makes art and people truly authentic.
