BOEING BOEING

A Farce by **Marc Camoletti**

Directed by **Betty Karlen**

DESCRIPTION:

Boeing Boeing is a hilarious farce about the exploits of Bernard, a French bachelor and three lovely flight attendants from three different countries who all believe they're engaged to Bernard. He has always been able to juggle these women due to a detailed timetable of their flight schedules. When things change and the women all end up at his apartment on the same day, he (with help from his bewildered friend Robert) struggles to keep them from learning the truth.
