Storybook Theatre presents its musical version of the classic story *Goldilocks And The Three Bears*. There is plenty of audience participation as the children help Goldilocks in the comical forest adventure with the three bears. Goldilocks learns that bears can be people, too.

Birthday parties and school field trips are cheerfully accommodated.

The award-winning Storybook Theatre has for many years been presenting its trademark non-scary musicals at Theatre West. They are ideal for children ages 3 to 9 and their families.

Storybook Theatre is a professional company operating under a contract with the stage union Actors Equity.
